

Directions to the FBI Academy, Quantico, Virginia

From downtown Washington, D.C., travel time to the FBI Academy will be about one hour. Interstate highway 95 South (see attached map) may be reached by direct access from highway 395 or from the beltway (highway 495) at the Springfield exit (Richmond-South).

About 25 minutes from downtown Washington (or some ten minutes from the Springfield area) you will come to the Woodbridge-Occoquan exit. After Woodbridge-Occoquan there is the following sequence of exits:

Dale City-Garfield

Dumfries-Manassas

Quantico-Triangle

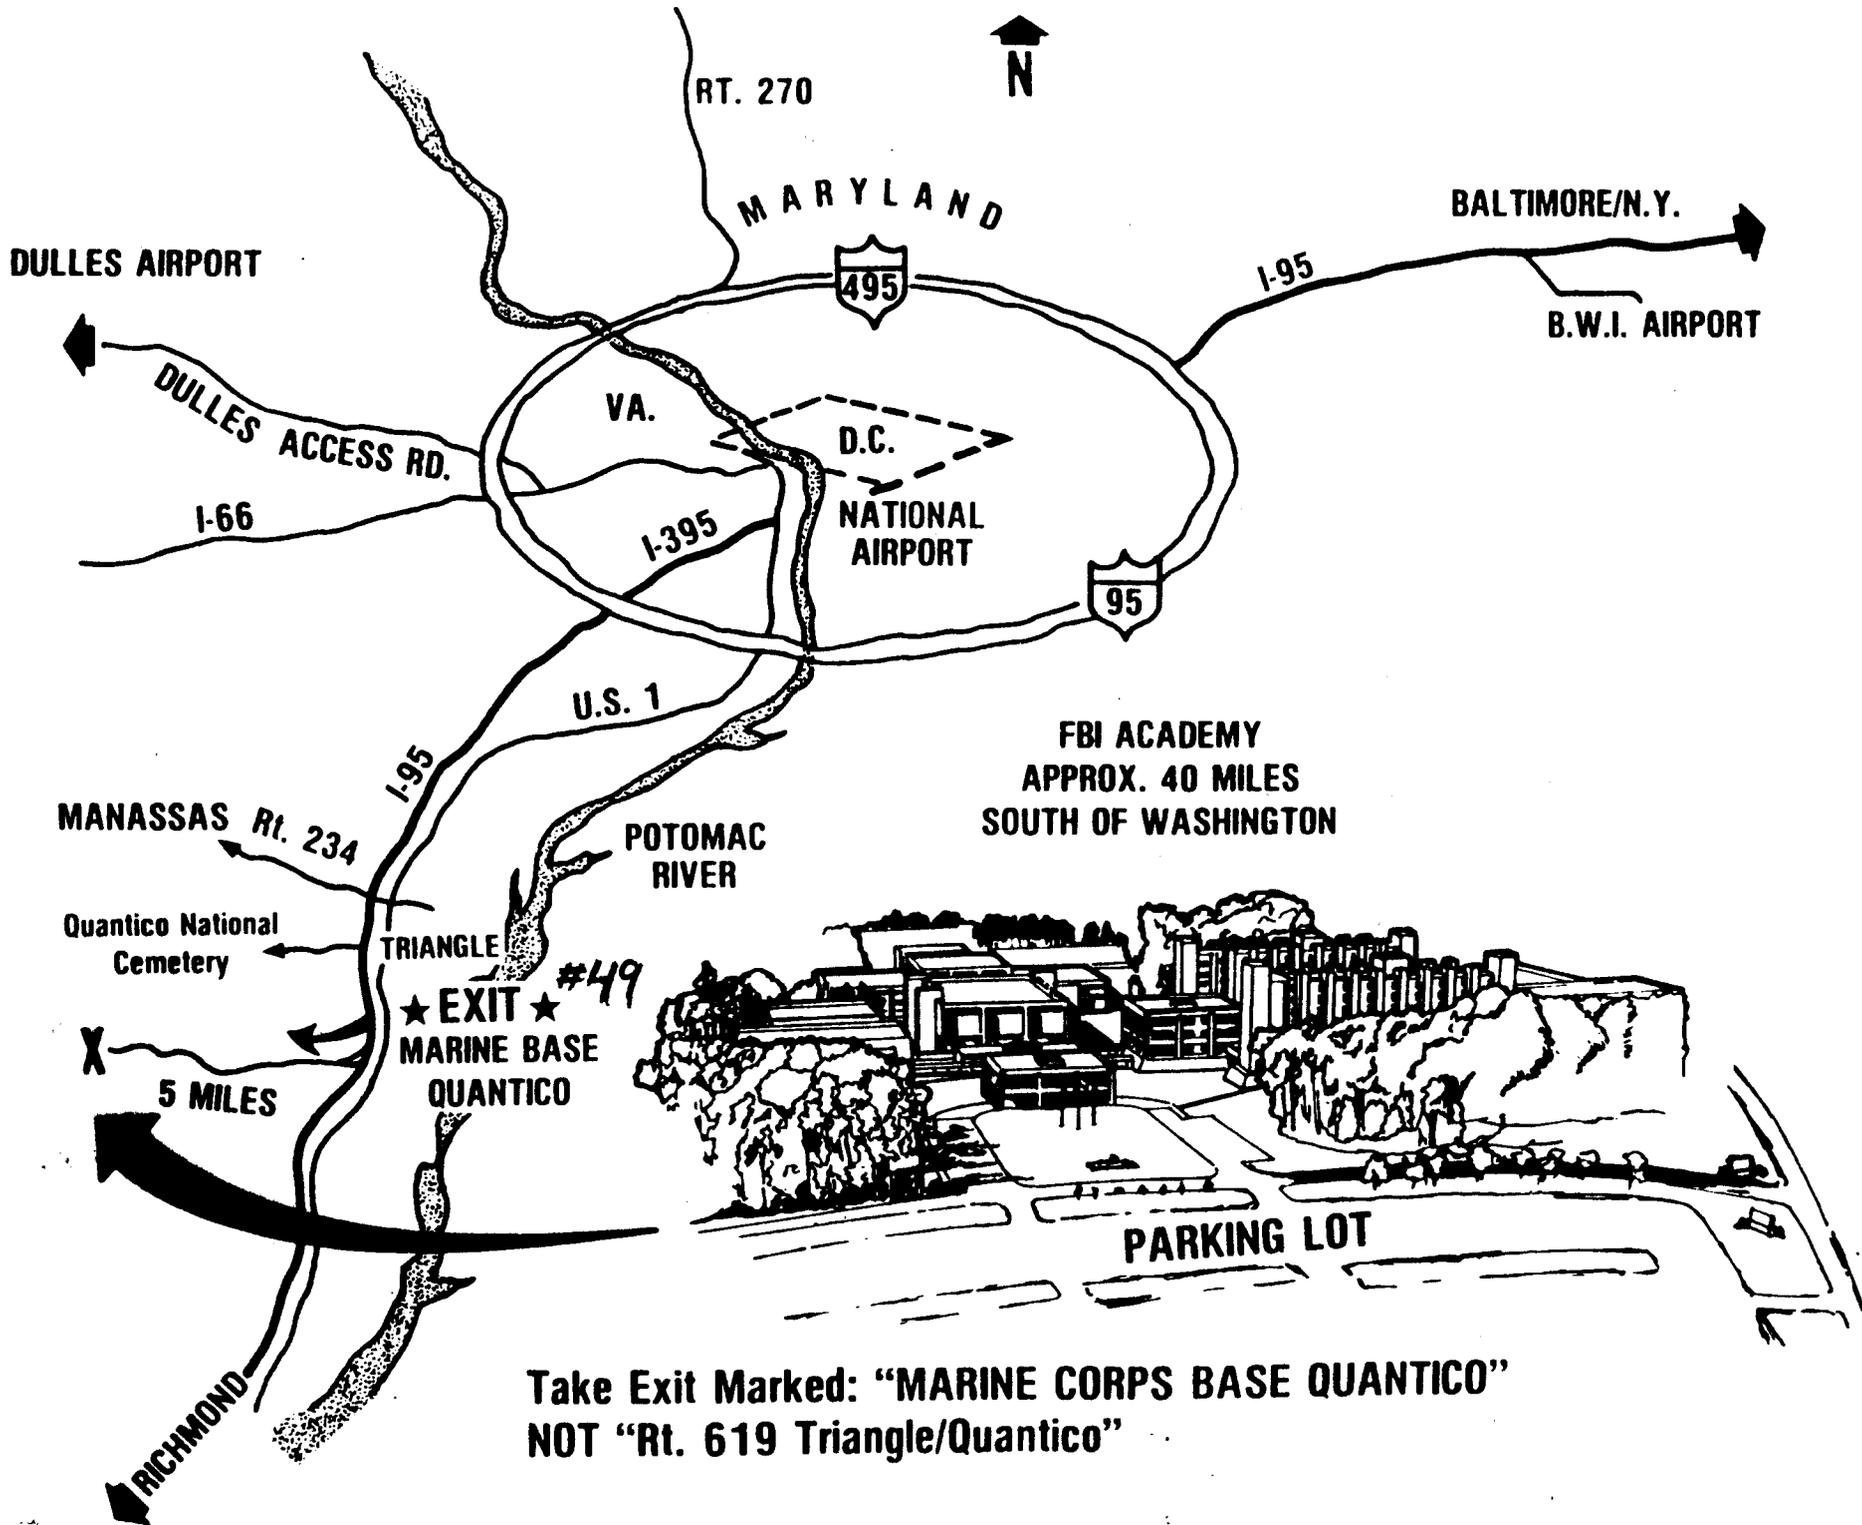

Quantico Marine Base

Take the Quantico Marine Base exit (see attached map). Do not take the Quantico-Triangle exit. It should take about 15 minutes to go from Woodbridge-Occoquan to the Quantico Marine Base exit. At the Quantico Marine Base exit, you will exit onto the main base road which is MCB-1. From Washington (traveling South) you will be turning right (West) onto MCB-1. From Richmond (traveling North) take the Quantico Marine Base exit and turn left onto MCB-1.

Traveling West on MCB-1 you will not pass by any sentry posts. You will be traveling away from the main Quantico Base complex. If you go through a sentry post you are traveling in the wrong direction (away from the FBI Academy and towards the main Quantico Base complex).

It is approximately 5 miles from the Quantico Marine Base exit at I-95 to the Administration Building at the FBI Academy complex. It should take about 10-12 minutes from the exit on I-95 to the FBI Academy.

The number at the FBI Academy switchboard is (703) 640-6131. If there are any problems call the FBI Academy switchboard.

**Take Exit Marked: "MARINE CORPS BASE QUANTICO"
NOT "Rt. 619 Triangle/Quantico"**
